Dear Bonnie Goode:

Under the authorization of VSA Title 16, Chapter 5, Subchapter 4, this office will be requesting criminal record checks for applicants that this office is prepared to recommend for employment or licensure. In accordance with the Vermont Criminal Information Center (VCIC) regulations, which stipulate the conditions under which criminal record are released to non-criminal justice agencies, this office agrees to:

2. Use criminal record information received from VCIC for the purpose intended by law and not disclose the contents of criminal record information without the applicant's permission to any person other than the applicant and properly designated employees of the agency who have a documented need to know the contents of the record.
3. Maintain a confidential log of all criminal history requests as specified by VCIC.
4. Confidentially retain records relating to requests for criminal records for a period of three years. At the end of the retention period and pursuant to VSA Title 16, Section 256, if logs and records are to be destroyed, they will be burned or shredded.
5. Make the criminal history log and all records relating to requests for criminal records available to VCIC for audit at least once every two years.

This office has been informed that any request for criminal record information or dissemination of criminal history information, which is inconsistent with Title 16 or VCIC regulations, is a violation of state and federal law.

Sincerely,
